

## YEAR OF DIVINE ACCELERATION- 2025 NEW YEAR'S EVE CONFESSION

In the Name of Jesus, we decree and declare, that we are in a season of Divine Acceleration, A SEASON OF PEACE THROUGH FAITH IN JESUS.

Therefore, since we are justified ([a]acquitted, declared righteous, and given a right standing with God) through faith,

WE [grasp the fact that we] have [the peace of reconciliation, to hold ,and to [b]enjoy] peace with God through our Lord Jesus Christ (the Messiah, the Anointed One).

I'm justified means, I am acquitted, I have a new DNA, just like my Father, I am not guilty, it is just as though I never sinned. When I received Jesus, I received the benefits of salvation. It does not matter what I did in my past, Jesus still loves me, so therefore, I can have what I say.

Through Him also, we have [our] access (entrance, introduction) by faith into this grace (state of God's favor) in which we [firmly and safely] stand.

Lord, we thank you, that it is written, you have bowed down your ear, and have delivered us speedily, so according to your word, things will begin to happen speedily, immediately, instantly, all at once, in our lives, this ministry, and the lives of our loved ones. **Amos 9:13** is a reality in our lives, this ministry, and the lives of our loved ones.

Things are going to happen so fast, our heads will swim, one thing fast on the heels of another. We will not be able to keep up, everything will be happening at once, and every where we look, blessings, blessings, like wine pouring off the mountains, and the hills.

Every thing we decree, declare, and speak to in this season, is a reality in our lives, because, we live in the realm of the finished. Every thing we need, and desire has already been done for us, through the finished works of Jesus, because the language, of the Law is do, and the language of Grace is done!.

Our healing is a reality in our bodies. We walk in divine health. Wealth and riches are in our households. There is no lack in our lives. God supplies all of our needs speedily. We have an abundant blessing of favor in our lives.

There is a fresh wind of God blowing continuously over our lives. This is the second wind of God, that was prophesied on 4/7/24. We are on God's prophetic time line in our personal lives, and here at DCC. This Fresh Wind, the Holy Spirit, is causing accelerated breakthroughs in our lives, this ministry, and in the lives of our loved ones. This second wind is pushing us into our purpose and destiny.

The Lord has declared that DCC is in a season of peace. In this season we expect divine acceleration. Every member experiences this season of Peace. We are resting. We have wholeness. There is nothing missing, nothing lacking, and nothing broken in our lives, because we are in a season of Peace.

God is unveiling within us, the unlimited, riches of his glory, and favor, until **supernatural strength** floods our innermost being with **divine might**, and **explosive power; Dunamis is in our spirits.**

We constantly use our faith, so that the Life of Christ is released deep inside of us; the resting place of His love becomes the very source and root of our lives

Every member of DCC is empowered by the Holy Spirit, and encouraged, we are motivated, stirred up, fired up, stimulated, re-vitalized, invigorated. You lord lift up our spirits, and raise our morale. You light a fire in us.

Every member at DCC worships with wonder and awe. We are awakened, and aware of what is possible with you Lord. We respect, reverence, honor, and admire you Lord. We understand your majesty and power. You Lord are extraordinary.

We set the atmosphere at DCC to an atmosphere of worship that demonstrates our reflection of your worth, and value. Lord, You are highly valued, highly adored, highly honored, highly loved, p and highly respected. We approach you with appreciation, and we have an attitude of a true heart of worship.

Every member at DCC walks in the **Fear of the Lord**. We honor, reverence, and respect you with a heart to obey, and keep your word. We never seek to disappoint you Lord.

We decree and declare, that every member at DCC has **Christ Consciousness**. We understand that God lives inside of us. Therefore, we can get up out of any situation. The atmosphere at DCC is set to a consciousness of Christ. We have a mindset that we have The Life of Christ dwelling inside of us. Zoe lives inside of us. It is a self-healing mechanism, it is life-disease killing power. Every second, every minute, we experience this power of God in our lives, and this ministry.

We decree and declare, that we have just re-framed, our world ,by the word of God that we speak.

We have restored, fashioned, and set back in order, everything in our lives, this ministry, and the lives of our family members, that we have spoken. We decree ,and we declare, it is done- Katartizo! In Jesus' name
