## Power Night Notes: February 17, 2026 Kingdom Authority Pt 2

**Luke 4:1- 8-** satan inherited delegated authority when man was disobedient in the garden- man gave up his authority by disobedience. In this scripture satan is trying to tempt Jesus saying he would give him ALL the power he had if he would bow down and worship him. Jesus not only knew his enemy, but he understood the power he had against him. Until YOU know your enemy, you cannot defeat him.

### Two(2) things to know about the enemy:

1. **Satan is god (little g) of this world or this world's systems**
2. **Satan is prince of this world**

- **2 Corinthians 4:4: AMPC.**-In whom the god of this world hath blinded the minds of them which believe not, lest the light of the glorious gospel of Christ, who is the image of God, should shine unto them. This scripture tells us that satan is the god(small g) of this world system and he blinds the minds of those who do not believe on Jesus with deception.

Paul is saying satan: influences the mindsets of unbelievers, blinds spiritual perceptions, shapes culture, ideologies and systems opposed to God. He is NOT "GOD" in nature, but he is referred to god in the sense that: he is worshipped indirectly through idolatry, he rules through deception, and people obey his system of rejection. God remains creator, supreme authority, King of Kings, Owner of the earth (**Psalm 24:1**)

- It is important as a believer, to know both his legal authority and YOURS! He is the god of this world system, but as a believer, you are **IN-**( **NOT OF** this world system that he is the god of)
- Satan has a time to rule, but the believer has authority over him- you can't get rid of the curses he places here on earth, and deception he releases to those who do not believe in Jesus, but you do not operate in his system- you operate in the Kingdom of God's system, and have authority over what he does in your life. Jesus could have taken a short cut to power offered by satan, but he did not, because he knew he would need to give us legal authority and dominion, here on the earth from the Father who gave it to him. As believer's, we operate from heavenly authority here on the earth (**Ephesians 2:6**).

**Kingdom Authority Pt 2-Page 2**

**So again, In order to defeat the enemy you must understand:**

1. He is the god of this world system and operates through deception. The Greek word for "god of this age." Is aion which is this present era, this fallen system of thinking, this current age before Christ's full visible reign.
  2. He is the prince of the world- **John 12:31**- Now is the judgment of this world; now the prince of this world will be cast out. Prince means in Greek-**Archon-ruler, chief, authority figure. It DOES NOT mean king or owner.** It describes someone who exercises influence or delegated authority within a domain. Satan exercises influence over the world system and has authority where people yield to him.
- Jesus says in the scripture above, that satan is judged. Post-cross is the turning point where satan's authority is legally broken. So satan is called "**Prince**" because he influences the fallen world system- not because he owns creation.
  - The believer's authority is **OVER the prince of the world**, but you must know it when he attacks your body, finances, relationships etc. Say out loud: **In Jesus' name I cast you out of my \_\_\_\_\_ satan!**
  - Satan is a bully who operates in deception. If you don't know he is already defeated and you have authority, he is coming back after you cast him out! The word says he left Jesus for a time, but he was coming back. He does the same thing with us, but we have to remind him of our authority over him. That is why understanding this matters.
  - You do not fight for victory. You **enforce Christ's finished victory!** You operate under **Christ's superior authority!**
  - **The next time satan attacks say this: "I rebuke you, I charge you to leave. I speak (healing) and loose you from your assignment because I have authority and Jesus already defeated you!**
  - Satan is the god of this world system through temptation and the prince of the world because he has a right to be on the earth and do things through deception, but not a right to defeat a believer! When he raises his head, send him back to the pit of hell! As the god of this world and prince of this world, he is defeated and **must bow to the name of Jesus.**
  - **Luke 10:17**-And the seventy returned again with joy, saying, Lord, even the devils are subject unto us through thy name. This scripture is about the 70 disciples Jesus anointed with his authority returning excited, that devils were subject to them through his name or delegated authority in using his name.

**Kingdom Authority Pt 2-Page 3**

- There are demons assigned with hate, poverty etc, but Jesus was reminding them that he had given them **authority** or **exousia**=the right to rule and command, and **Dunamis-power** to release.
- Jesus has given the believer this same authority to rule here on earth, with physical and mental strength and ability. This authority in Jesus' name can come against every thing the devil tries to do in your life. Our ability and power is more powerful than anything the devil is trying to do.
- **Ephesians 6**- God is telling us what we must do daily to defeat the prince of the world: **you must put on the armor of God** by **saying** and **speaking it, decreeing** and **declaring it**. The word says we do not wrestle against flesh and blood. Demons attack our minds and confidence- we do not fight flesh, but principalities or the first rule in rank, rulers of darkness of this world, the prince of this world who comes in to bring deception and attack areas of your life as he desires to get you away from the word.
- What you don't know may hurt you- don't be a **"sitting duck."** Understand the enemy and how he operates because you have been given every thing you need to defeat the god of this world's system!
