**BIBLE Study- January 14, 2026**

**TITLE: The POWER OF PRAYING MORE IN TONGUES**

**Foundational Scripture(s) | THESSALONIANS 5:17-19-AMPC.**-Be unceasing in prayer [praying perseveringly];

18 Thank [God] in everything [no matter what the circumstances may be, be thankful and give thanks], for this is the will of God for you [who are] in Christ Jesus [the Revealer and Mediator of that will].

19 Do not quench (suppress or subdue) the [Holy] Spirit;

- A thankful Christian is a prosperous Christian. Thanksgiving sets an atmosphere for more.
- **1 Thessalonians 5:17-19** tells the believer several things:
  - Make your life a prayer- a mindset- a lifestyle of constant communication with God not necessarily praying non-stop.
  - In the midst of every thing, be always giving thanks
  - This is God's perfect plan for you in Christ Jesus
  - Never restrain or put out the fire of the Holy Spirit
  - Don't be one who scorns prophecies; put them to a test
  - Hold tightly to what has proven to be right
- **Pray in the Spirit at least 20 minutes daily.**
- **Acts 12:4**- Peter was in prison, but the church was earnestly praying to God for him to be released. The angels of God showed up and the prison door opened supernaturally in vs, 12. This word earnestly has several synonyms- constantly, fervently, persistently.

### **Praying at least 20 Minutes Causes These Things:**

- You will develop a close relationship with the Holy Spirit.
- You develop a new mindset about what happens in the realm of the Spirit.
- You will know and experience explosive power that energizes you.
- You are constantly being built up in faith and making progress without hindrances.
- You are rising above every problem and situation in your life.
- You are supernaturally building an edifice wall of fire around you in the Spirit.
- The moment you pray in the Spirit, Angels begin to stir up the atmosphere around you and shift you.

## What is Speaking in Tongues?

- Speaking in tongues scripturally is a manifestation of the Holy Ghost.
- Speaking in tongues is a supernatural way to communicate with God.
- **I Corinthians 2:12 ampc.**- A supernatural way to communicate with God. Vs. 13- How can we communicate?- Spiritual truths with spiritual language. These things are released when we pray.
- Praying in tongues scripturally is a doorway into the supernatural.

## What are the Benefits of Praying in Tongues?

- I Corinthians 14:2- KJV- You unlock divine mysteries because of direct contact with God. (Divine secrets, hidden wisdom). The Holy Spirit utters secret truths and hidden things not obvious to our understanding.
- There is another level to building yourself up- it's self edification- Jude 20
- I Corinthians 14:4- You edify yourself (spirit, soul, and body). You improve yourself- self exhortation, self development. Praying in tongues improves your spiritual walk- advances your spirit. Once you are built up you don't speak negative and you don't want to quit. It improves, helps, makes better, raises your levels in the realm of the spirit.
- You build yourself up on Most Holy Faith, the faith that is already there, the measure of faith given to every man is now built up because it is being built on a structure or existing foundation. This is the starting point of building up your faith.
- Most Holy Faith= the highest of faith you operate in by praying in the Holy Ghost. You tap into the highest kind of faith to get results like Jesus. Your words become impregnated with divine power. Even your lowest level of faith after praying in the spirit will now become the highest level and your benchmark (or standard point of reference) of faith that will never fluctuate(rise & fall irregularly).
- This now becomes the standard of your faith and your faith does not go up and down.
- Praying in tongues gives you the right to ask for the interpretation. I Corinthians 14:13 AMPC.
- I Corinthians 12:7- prophecy is one of the gifts of the spirit- the Holy Spirit is inside of you enabling you to be your own prophet and God will speak directly to you.
- Tongues is a language. Pray and ask God to give you new tongues; listen on the inside and pray what you hear.

## **ASSIGNMENT:**

Pray in the spirit at least 20 minutes daily. When you end your praying, say: ***"I release my faith for the physical manifestation of everything I just prayed. Lord I pray for the power to interpret what I just prayed."***

- This interpretation can come to you in the way of divine instructions that lead you, it could be an order or command directives, pronouncements to cause you to reach your destiny. The Holy Spirit will give you rhema - you are listening and then speaking things in the realm of the spirit he wants you to say because it begins coming up in your spirit. Start expecting to hear from God and write down what he says.
